 **Free Practice Questions!**

Each summer we offer more than twelve tournaments for our campers to compete in. They range in style from a traditional 20/20 tossup-bonus format to our individual toss-up only “Wild Man” tournament to subject-specific “side events”. Every month starting in September 2011, we’ll post a set of questions from a previous camp free to use for practice or study.

We at ACE are committed to helping quizbowl players and coaches improve. We hope that through free resources like study guides, practice questions, our quizbowl fact-of-the-day and our coach mentoring program, we can help you get better.

 **September Study Guide Now Available**

Each month on www.acequizbowlcamp.com, we post a free study guide that should help you prepare for competition and give you an idea of the materials that ACE Campers receive.

The September 2011 Study Guide is **SOCRATIC DIALOGUES**. To download the free study guides, go [here](#)
