ACE Individual Quizbowl Championship Monday, May 28, 2011

Who is the best all-around quizbowl player in the country?

ACE is excited to announce the inaugural ACE Individual Quizbowl Championship (IQC). This is a completely different style of tournament with players competing not as part of a team, but as individuals.

We'll be holding the tournament on Memorial Day (Monday, May 28, 2011) in Atlanta. This makes it convenient for teams competing at the NAQT High School National Championship that weekend, but the tournament is open to any players who want to participate.

ACE Partners with the National History Bee & Bowl

ACE is pleased to announce that we will be expanding our relationship with the National History Bee & Bowl (NHBB). ACE will be providing full camp scholarships to winning players and teams at the NHBB National Championship Tournament and partial scholarships to winning players at NHBB regional sites.

Additionally, NHBB will be providing cash prizes to top finishing students at the ACE IQC in Atlanta.

What does it mean to be “BUZZSTRONG”? It’s an attitude – the confidence that comes from knowing that you are prepared; knowing that you’ve learned something and that’s going to get you points. When you’re BUZZSTRONG you’re telling your teammates, “don’t worry; I got this” and telling your opponents, “you have to bring your best to beat us”. When you’re BUZZSTRONG you’re telling people, “I love to learn, I love quizbowl and I’m proud of it”.
